Donation Request Form

At Wildrose Heritage Seed Company, we contribute to a number of worthwhile and charitable causes. We do so gladly, because we like to play an active and positive role in our community. However, we receive many requests like yours for consideration. In order to properly evaluate requests, and for our records, we ask that you print and mail this completed form to Wildrose Heritage Seed Company, PO BOX 355 Station Main, and Lethbridge, Alberta, T1J 3Y7. We will notify you as soon as possible if a donation request is approved. Due to the large volume of requests received we review request forms the first day of every month.
